ARGUMENT

Joe Lucas

April 24, 1964

Fang is afraid to argue with me. In
fact he is so afraid to open his mouth -
I feed him intravenously.

ARGUMENT
Marjorie R. Simons
1964

I'll tell you why I don't get mad at Fang when he jumps down my throat.
It's the only exercise he gets.

Marjorie R. Simons

ARGUMENT

April 23, 1964

I'll tell you why I don't get mad at Fang when
he jumps down my throat. It's the only exercise

Smithsonian Institution

National Museum of American History

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
